We aim to complete the AGM in a sensibly short time. This event is essential to make sure the club's management is accountable to its members but it shouldn't be a drawn-out meeting that's bound-up in procedure.

Members who wish to propose changes to the way the club is managed or to raise an issue must send their proposal in writing, with confirmation that it is seconded, to the Secretary to be received at least one week before the meeting. Proposals cannot be accepted after that deadline.
